Neusaess/Neustadt, December 2014

Dear relatives and friends of the Teltschik family,

In 2014, we had two further meetings of our German family board arranging the reunion in 2016. Another highlight in 2014 had been our small reunion in Neustadt on 12 July. About 80 people came and this time the weather was good, as well. Thank you very much to everyone, who attended and for all of your gifts! It had been a wonderful day!

At this opportunity, we also presented the program for the big reunion in 2016 (see attachment): The plan is, that our American family members will arrive in Berlin on 31 July. There will be a diversified program until 4 August, when our group will go to Nuremberg via Weimar by bus. On Saturday, 6 August, there will be the actual Familientag with church service, photo shooting and the festive evening at the Maritim hotel in Nuremberg. On Sunday, 7 August, we will provide a bus transport to the airport of Frankfurt for the Texas Teltschiks.

As a result, there is the possibility for a visit with German host families either before 31 July or after 7 August 2016. In Germany, the coordinator for the visits with host families will be Wolfgang Teltschik (email: wolfgang@teltschik.de; phone: +49-7464-3325). Please let Wolfgang know, if you already know, whom you are visiting when. If you do not know yet exactly, but you want to visit any German host family for a couple of days, then please let him know, as well.

Furthermore, all German Teltschiks are welcome to come to Berlin, as well. In spring 2015, we will provide you specific pricing information and we will request registrations from you.

Finally, we would like to address our Teltschik family bank account. We will use all donations only for the organization of our reunions. We are looking forward to every receipt of money:
