38th newsletter

Tuningen, December 2011

Dear relatives and friends of the Teltschik family!

Gladly we look back on our reunion, which we celebrated together in Kerrville/Texas in June of this year. It was an awesome event, committed with more than 330 family members and friends, exchanging memories, prolonging friendships and making new ones. We want to thank again our Texan relatives for their outstanding and felicitous organization. They did not spare any costs or efforts making this reunion unforgettable.

There are reports available in English and German about the reunion and its general program on our homepage: www.teltschik.de. You can also find the presentation of Adrienne Teltschik on our homepage, which she had produced for our reunion in Texas. You can either watch it instantly or download it – it's worth watching it.

There is a picture of our crystal glass block with the Teltschik tower on the backside of this newsletter. We took these blocks as a gift for our American hosts to Texas. If someone wants one of them, we have some few left over, so that one of these can be purchased for 20 Euros (about 26 USD). If you are interested, please send your order to: teltschikswg@aol.com or see our mail address below.

We are planning to publish another supplementary volume of our chronicle at our next reunion in Germany in 2016. Collecting all the necessary information we have created a questionnaire, which is attached to this newsletter. We do ask you for making use of it actively. Please forward this questionnaire within your family, as well. It might be copied, and it is also available on our homepage for download: www.teltschik.de

We have defined in our mission statement of the family (see: <http://www.teltschik.de/Familienrat/index.html>), that every family member is welcome to join our family board. Who ever is interested in getting involved with our family, should get in contact with us until our next meeting on Saturday, April 28th 2012, please.

Finally there is information about our family cash box. All donations will be solely used for the organization of our reunions. We are looking forward to every inbound.
